

Dear Prospective Students,

On behalf of all of the faculty and staff at Breton Academy of Magic (BAM), welcome to our community and to our school! We're excited to have you join us at the most elite magical academy in North America.

We are located in Alderville, Maine, a small city in the north part of the state, close to the U.S. border with Canada. We prefer to be located in a rural part of the United States so we don't attract too much attention from non-magic folks.

We have lots of information available on our public-facing website, which can be found at <https://bretonalliance.com>. There is a password for the site: **breton1732**. Please do not share the password or website URL with anybody except your immediate family.

We provide bus transportation for all students from Bangor International Airport, Maine (BGR) at the beginning and end of each school year, as well as at the beginning and end of Winter Break. If any students need further assistance in finding or funding transportation from their hometown to BGR, please get in contact with us a minimum of two weeks in advance to the student arrival date. We will do everything in our power to make sure that all of our students arrive safely.

All students are asked to be at **BGR airport no later than 11:15am on the last Saturday of August**. Classes will begin on the following Monday. Winter Break will begin exactly 16 weeks after the arrival date (approximately the third week of December), and will end the second Saturday of January. The second semester will last 16 weeks, to end approximately the first week of May. Specific school calendars are distributed to all students the first week of school.

Again, welcome to Breton Academy of Magic. We know you're bound to have more questions, and we'd be happy to help answer them. Please read our website thoroughly before arrival, and then feel free to reach out to us with any additional comments, questions, or concerns.

Sincerely,

Florence Norris

Headmaster Florence Norris
